

North Texas Chapter, Texas Master Naturalist Activity Calendar for March 2009

Prepared on February 27 by Jim Varnum. Contact Jim and jevvarnum@aol.com 972-243-4098 for questions, comments, suggestions.

1. For VH events, notice the chapter project name in brackets in the third column. Be sure to include it in your description in your activity report. Visit the chapter website www.ntmn.org or contact Dick Coupe for the list of approved chapter projects.
2. Send your activity report to Sara B. at SBWormlady@aol.com
3. Irving Tree Survey (see 3/12, in calendar) has both AT and VH opportunities.
4. LLELA Aquatic Planting (3/21, in calendar) has both AT and VH opportunities.
5. Visit the on-line chapter calendar for up-to-date information on this calendar.
6. This is a long document I suggest you read it on-line and not print it out... save a few trees.

Jim

March 2009

Description	Date/Time and AT, VH	Contact	Location
<p>Trout Lily Walk - Tandy Hills Park (FW) - Jim Varnum</p> <p><u>Walk Details:</u> Master Naturalist Jim Varnum will conduct a short walk to observe the trout lilies of Tandy Hills. <p>Project Wild Training - by TPWD</p> <p><u>Description:</u> Learn how to teach young people about ecology and wildlife using fun, hands-on educational activities. During the six-hour training workshop participants will sample activities and receive a curriculum and activity guide. Activities are adaptable for all grade levels, integrated with core subject curricula and aligned to the TEKS. Teachers, informal educators and youth group leaders may take the training. SBEC credit available for teachers.</p>	<p>AT Saturday March 7 10:00 - 5:00 Approved AT (6 hrs max)</p>	<p>Preregistration required, deadline February 28, 2009. To register, contact the Nature Preserve Coordinator at Elizabeth.acosta@cityofcarrollton.com or 972-466-9813, Visit http://www.tpwd.state.tx.us/learning/project_wild for information about Project Wild.</p>	<p>Carrollton Public Library at Josey Ranch Lake, 1700 Keller Springs Rd.</p>
<p>Audubon Dallas: monthly meeting and speaker</p> <p>Speaker/topic: TBA</p>	<p>FYI Monday, March 9 7:00 pm</p>	<p>Info? Visit www.audubondallas.org</p>	<p>Auditorium of Texas Scottish Rite Hospital for Children, 2222 Welborn St., Dallas 75219</p>
<p>BRIT Brown Bag Botany - Everything's Bigger in Texas (Texas' Big Tree program)</p> <p><u>Speaker/Topic:</u> Fort Worth Urban Forester, Courtney Blevins, will attest that some of his best friends are trees. He will update us on the status of some Champion Trees on the Texas Tree Trail, and tell us about the recent Big Tree Tour and plans for something similar next year. Learn how</p>	<p>FYI Wednesday, March 11 12:00 - 1:00</p>	<p>For more information, visit www.brit.org and click on Brown Bag Botany. Coffee is provided. RSVP not required.</p>	<p>BRIT Main Office 500 E. 4th Street, Fort Worth, TX 76102. Map and directions on web site.</p>

<p>you can include a treasured specimen on the Big Tree list, or simply ensure that it continues a long and healthy life.</p>			
<p>NPSOT-CT - Ricky Linex - Native Plants for Wildlife Habitat</p> <p>Ricky Lines of NRCS will discuss 60 native species of perennial forbs and woody plants of the North Central Texas area and their wildlife value for food and cover for deer, quail and turkey. Being able to identify important native plants used for food and cover by wildlife is necessary for those wanting to effectively manage their land to improve the wildlife habitat. Today's land manager must be versed in plant identification and manipulation to be a good steward of the land. At the meeting, a listing of regional plant identification books covering grasses, forbs, shrubs, vines and trees for several regions of Texas will be distributed.</p>	<p>AT (1 hr) Thursday March 12 7:00 pm</p>	<p>Information: www.npsot.org/CrossTimbers light refreshments at 6:30.</p>	<p>Harburger Hill, Community Center, 701 Narrow St., Weatherford</p>
<p>Irving Tree Survey by Texas Forest Service and Irving Heritage District Neighborhood Association</p> <p>The regional urban forester for the Texas Forest Service, Micah Pace, will be conducting tree survey instruction and data collection for the City of Irving Heritage District. His work will include stratum analysis of relic trees in the Heritage District, and data will be used in order to work with the city on stronger protection for these trees in the redevelopment of this part of Irving.</p> <p>Several events are scheduled, and volunteers are needed for the survey.</p> <p>Training Events: <u>Training #1:</u> Presentation on data, structure, and outcome of the stratum analysis, Thursday, March 12th, 6:30 p.m.~ 8:30-ish . <u>Training #2:</u> Hands-on demonstration and practice, Saturday March 14th from 8 or 9 am ~ 12-ish.</p>	<p>AT & VH See text</p>	<p>Interested volunteers can contact Marcy Brown Marsden at mebrown@udallas.edu and she can forward their info to contact Carol Lucas, who is assembling the volunteers. Or contact Carol direct at carolucas@verizon.net.</p> <p><u>Volunteer Event:</u> Survey: Data collection, Saturday March 21st 8 a.m. ~ till we're done. (We're aiming for 40~50 volunteers, so with luck we'll be done by early afternoon.)</p> <p>[Texas Tree Trail chapter project]</p>	<p>TBA</p>
<p>Annual 2008 Buckeye Walks - trail guiding</p>	<p>VH for volunteer</p>	<p>MN Jim Flood</p>	<p>Trailhead is at: 7000 Bexar St,</p>

<p><u>Volunteer Guided Hike Leaders</u> are needed for this year's Texas Buckeye Walks event. The Texas Buckeye (<i>Aesculus glabra</i> var. <i>arguta</i>) is now taxonomically considered a variety form of the Ohio Buckeye (<i>Aesculus glabra</i>).</p>	<p>trail guides. March 13-14-15 and March 20-21-22. GET TIMES</p>	<p>Each hike can last about 2 hours. Times: 3/13, 20. 10:00. Other dates; 11:00. [Buckeye Trail chapter project]</p>	<p>Dallas TX 75215. (Mapsco © page 56L. Map at www.texasbuckeye.org)</p>
NTC - 2009 training field day at CRP			
<p>Reverchon Roundup</p> <p><u>Announcement:</u> Reverchon Park Roundup. We have been participating in the project since 1998. <p>For the Love of the Lake (FTLOTL) - Second Saturday Shoreline Spruce-Up</p> <p><u>Tasks of the day:</u> Clean the shores of White Rock Lake by picking up trash. All supplies (trash bags, recycling bags, latex gloves, and trash picker-uppers) provided.</p>	<p>VH service Saturday March 14 8:30 - 10:30 am</p>	<p><u>Contact/info:</u> MN Sandy Schriever at sschriever@sbcglobal.net For general information on the FTLOTL organization, go to http://www.whiterocklake.org</p> <p>[FTLOTL chapter project]</p>	<p><u>Registration Location:</u> 1152 N Buckner Blvd, Dallas, TX 75218. NE Corner of Garland Rd. & Buckner Blvd. in Casa Linda Plaza (Facing Buckner & Doctors Hospital).</p>
<p>Connemara Meadow Preserve -- Connemara - Early Spring Wildflowers - MN Jim Varnum</p> <p>Wildflowers bloom early in Texas, a few in January, more in February and still more in March. By then we see golden groundsel, shepherd's purse, stork's-bill, elbow bush and anemones and others in bloom. Master Naturalist Jim Varnum leads a walk through the Meadow and Pecan</p>	<p>AT Sunday March 15 1:00 - 3:00 pm Approved AT (2 hrs)</p>	<p>Connemara Conservancy web site: www.connemaraconservancy.org</p> <p>Please rsvp to RSVP@connemaraconservancy.org</p> <p>All ages welcome.</p> <p>Bring your wildflower field guides and</p>	<p>Connemara Meadow, east side of Alma Rd just south of Bethany Dr.</p>

Grove to point out early bloomers and teach you how to identify them. Along the way Jim will also point out trees, grasses, birds and whatever else crosses our paths		binoculars if you have them	
NPSOT - Garland Chapter: monthly meeting Speaker: TBA. Check on-line calendar.	FYI Sunday March 15 2:00 pm.	http://www.npsot.org/Garland	Rohde's Nursery, 1651 Wall Street, Garland, North of 635, off Garland Road, Mapsco 29T
NPSOT-Dallas - monthly meeting Wildflowers: Advances, ID and Locations - MN Jim Varnum We all love spring wildflowers, and summer one and fall ones, too, But, maybe we don't really know what species they are. Let's see... there a monarch butterfly, so that wildflower must be a milkweed, but which one? And these white and pink blossoms along Texas highways. Oh, I remember they're evening primroses. <i>Continued at right...</i>	AT Monday March 16 7:00 pm Approved AT (1 hr)	Lois Day: brandonsgrandmom@aol.com or www.npsot.org/Dallas <i>continued from left...</i> How can I learn to identify them? And where can I go to find lots of wildflowers right here in the DFW Metroplex? Master Naturalist and long-time native plant searcher Jim Varnum will help you ID local wildflowers and then tell you the best places find them.	REI meeting room, 4515 LBJ Fwy between Midway & Welch, Dallas
Cedar Ridge Preserve: Conservation in Action Workday <u>Call for volunteers.</u> Projects include trail and garden maintenance, various restorations, etc.	VH service Saturday Monday 21 9:00 - noon.	Contact in advance. MN Julie Mobley, 972-709-7784, or volunteers@dallasaudubon.org [Cedar Ridge Preserve chapter project]	Cedar Ridge Preserve, 7171 Mountain Creek Pkwy, Dallas 75249
LLELA - Practical Wetland Restoration Presented by Joe Snow formerly of LAREF -Aquatic Research Area) Aquatic planting follows from 10:00 am to 2:00 pm.	AT Saturday, March 21 9:00 - 10:00 am. Approved AT (1 hr)	Contact: Richard Freiheit/Restoration Manager freiheit@unt.edu or 214/264- 8047 <u>NTC contact:</u> Teresa Ediger.	Visit LLELA web site http://www.ias.unt.edu/llela/ for location and directions.
LLELA - Wetland Restoration Aquatic Planting This immediately follows the Practical Wetland Restoration session. Help us put the finishing touches on the new wetland trail (opening Apr. 25th).	VH service Saturday, March 21 10:00 - 2:00.	<u>Contact:</u> Richard Freiheit/Restoration Manager freiheit@unt.edu or 214/264- 8047 <u>NTC contact:</u> Teresa Ediger. <i>Continued from left...</i> This would be an	Visit LLELA web site http://www.ias.unt.edu/llela/ for location and directions.

<p>There is no special skill level needed for this project, but some walking involved, so anyone could help. This is "wetland" restoration so plan for that wet land which means working in mud. There is the probability you will get muddy and possibly a little wet. <i>Continued at right...</i></p>		<p>excellent way for the new MN trainees to get their feet wet (literally) and start earning those volunteer hours if they haven't already. It's also a good way to experience our remote natural areas with the possibility of seeing wildlife such as deer, coyote, armadillos, a variety of birds and waterfowl.</p>	
<p>Amphibian Watch - first session of 2009</p> <p>Ribbit. Come on out to White Rock Lake and help Barbara Turner with her Amphibian Watch. Actually, it's an amphibian "listen", since we ID the frogs by their croaks. Barbara sends data to TPWD for their statewide Amphibian monitoring efforts.</p>	<p>VH Friday, March 27 at dusk</p>	<p>MN Barbara Turner - 972-222-7321</p> <p>Sunset Bay. East side of white Rock Lake. From Buckner Blvd, take Poppy to Lawther. Turn left and go to the parking near the dock.</p> <p>[Texas Nature Trackers chapter project]</p>	<p>Sunset Bay on White Rock Lake</p>
<p>Cedar Ridge Preserve – Beginning Bird Walk led by Marcy Brown Marsden</p> <p><u>Description:</u> Biologist and CRP researcher Marcy Brown Marsden leads a walk through forest and field to look for early migratory birds and some of our year-round residents. A brief classroom experience will be followed by a short walk through the native plant garden and upper preserve trails Expect to see cardinals, jays, warblers, flycatchers, wrens, and hawks, and to learn important bird identification tips.</p>	<p>AT Saturday, March 28 8:30 - 11:00 am</p> <p>Approved AT (2.5 hours)</p>	<p><u>More info?</u> Marcy Brown Marsden, mebrown@udallas.edu , 214-492-9409. Please RSVP if you are bringing a group.</p> <p>Bring your binoculars and bird books. Wear sturdy boots or shoes with good ankle support.</p>	<p>Cedar Ridge Preserve, 7171 Mountain Creek Pkwy, Dallas 75249</p>
<p>Fieldtrip to Ray Roberts State Park (Isle du Bois unit) in Denton Co.</p> <p>Lead by plant collector MN Jeff Quayle. quaylei@earthlink.net This is primarily a botanical field trip. But birders and all others are welcome.</p> <p>The Ray Roberts Lake area is unique because of the convergence of 3 different vegetational areas: the Eastern Cross Timbers, the Grand Prairie to the west, and the Blackland Prairie to the east. Plus to me you can add</p>	<p>AT Saturday, March 28. 9:00 to noon Approved AT (3 hrs)</p>	<p>Jeff: quaylei@earthlink.net</p> <p>Wear usual outdoor gear. Bring water, snacks, binocs, etc.</p> <p>E-mail Jeff for a list of the plants of Ray Roberts Lake.</p> <p>RSVP to Jeff at case of weather complications, rain, etc.</p>	<p><u>Meeting point:</u> Contact Jeff/</p>

additional areas to include the wetlands surrounding the different lake access points. Soils are mostly various sandy loams and fine sands			
<p>Invaders of Texas Citizen Science Program – become a Citizen Scientist.</p> <p>Do you want to help slow down the spread of harmful invasive species and reduce their ecological and economic damage? The first step is to locate where invaders have arrived and get that information to those who can do something about it. That's where citizen scientists come in. Citizen scientists are volunteers who receive expert training to identify and track important invaders in our area.</p>	<p>AT Saturday, March 28 9:00 - 4:00. Approved AT (6 hours max)</p>	<p>Visit the Texas Invasives web site to get started. http://www.texasinvasives.org/Citizen_Science/become.html</p> <p>Contact: Jeanette Boylan jboylan@audubon.org 214-309-5811</p> <p>MN Julie Collins is the leader of our Texas Invaders Chapter Project.</p>	<p>Trinity River Audubon Center, 6500 South Loop 12, Dallas</p>
<p>Connemara Meadow Preserve - woody invasives workday</p> <p>Task of the day. removal of woody invasive plants. MN Jim Smittle will lead the effort in organizing this and getting the word out to Master Naturalists and others. He will also look into the best techniques for removing invasives and treating with herbicide.</p>	<p>VH service Saturday, March 28 9:00 - noon.</p>	<p>Info: www.connemaraconservancy.org RSVP to RSVP@connemaraconservancy.org</p>	<p>Connemara Meadow, east side of Alma Rd just south of Bethany Dr.</p>
